

# Welcome Boaters to YACHTS for POPS

The Bemus Bay pops was started 16 years ago as a gift to the boaters to celebrate the end of summer. Since then the program has grown and now has become a major attraction for everyone to enjoy. These family oriented events are made possible through the generous sponsorships of businesses, individuals, and the collaboration with other agencies. So now we are appealing to the boaters on Chautauqua Lake to help us keep the Pops program AFLOAT.

We understand the importance of keeping our lake maintained and clean. *So part of the money the Bemus Bay Pops raises will be donated to the Chautauqua Lake Association to help keep the lake clean.* The economic impact we all play by keeping our attractions and interest in our community, and supporting the things that enhance our quality of life is priceless.

*We hope you will be generous and enjoy the benefits this membership will provide!*

# 2013 Summer Season!

## 2013 - AN EXCITING SUMMER SEASON!

Our 2013 season plans to be the best ever, with some new and exciting programming. New this season we are bringing Water Ski Shows back to the lake with the Chippewa Lake Ski Team, a special concert with the Marshall Tucker Band, the 10th year celebration of the all new Chautauqua Voices competition (formerly the Chautauqua Lake Idol), Lake night at the Movies, Praise on the Lake, Special Dueling Piano Show, and Comedy night special along with a list of many other stellar programs you will not want to miss while enjoying your boat with family and friends.

## AN AQUAPOPSALOOZA PARTY!

Also as a special event to show our solidarity and the importance of the boating community on Chautauqua Lake, we are planning to host the largest "AQUAPOPSALOOZA" party and Major Concert Event, where we hope to set a record for the largest number of boats ever gathered together on Chautauqua Lake along with lots of surprises for the boaters and a concert event with the Party Of Nine Band. More information coming to announce on this special event.

## Join Your Fellow Boaters!

We have put together a three tier donation membership with terrific incentives to participate at a comfortable level of your choice. The Marinas listed below have endorsed and supported this program in hopes to get as many boaters as possible involved to keep our Pops available for all to enjoy.
